Why You Should Choose Us

Total vertical integration - all facets managed by AirMed staff.

We own and operate our own fleet of fully customized and readily reconfigured aircraft.

We specialize in the logistics of air medical transport as well as rapid transportation of organs and organ recipients.

Multiple bases strategically located throughout the United States.

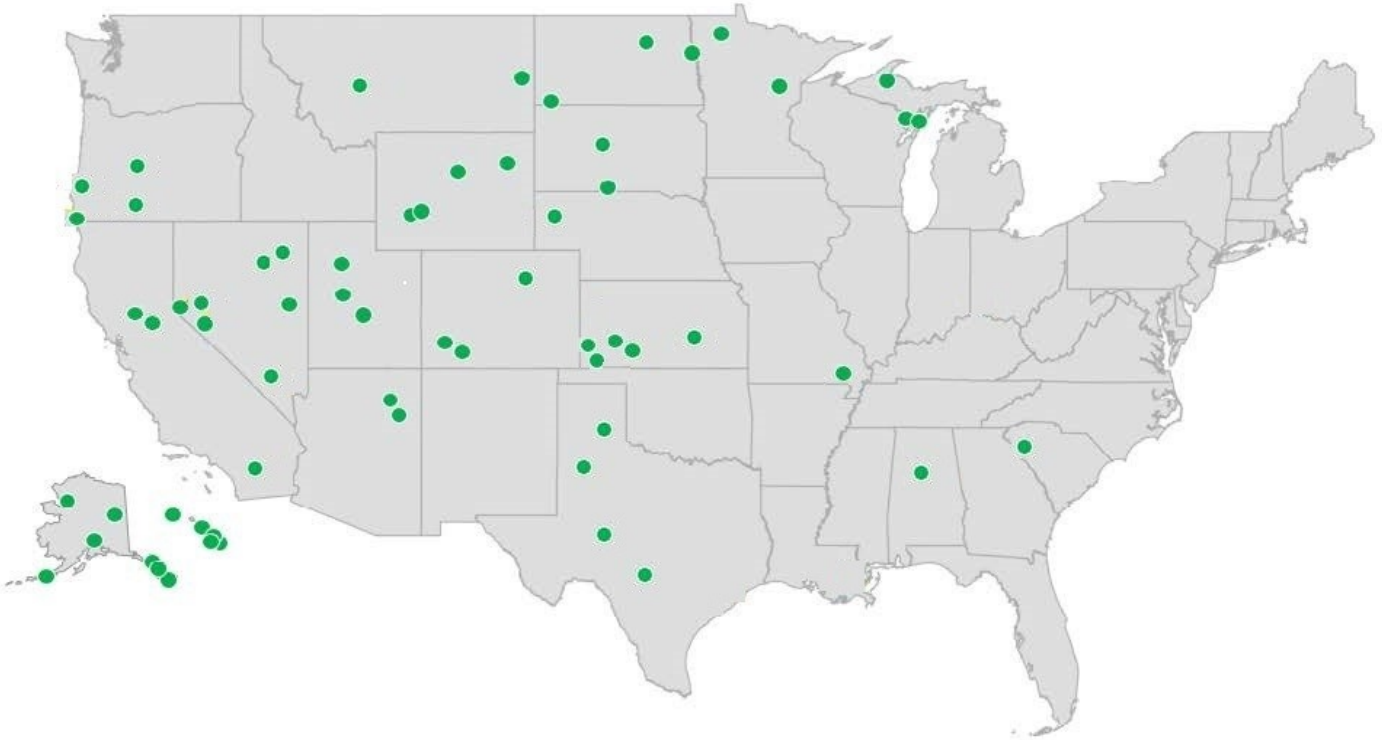

Our in-house Clinical Coordinators and Nurse Resource department assist with the fit to fly and pre-authorization process.

About AirMed International

- ♥ Contracted fixed-wing provider for many leading healthcare systems and Organ Procurement Organizations (OPO's) throughout the United States.
- ♥ Completed more than 25,000 missions across the globe to over 160 countries and counting.
- ♥ A subsidiary of Global Medical Response (GMR). GMR was formed by combining the industry leaders in air, ground, managed medical transportation, community and industrial/specialty and wildland fire services.

We pride ourselves on having an open, direct and responsive communication with our callers.
