

Falcon 7X

N506BA

EXECUTIVE
FLITEWAYS

This sophisticated jet is perfect for nonstop travel up to 5,590 nautical miles, reaching destinations throughout the Americas, as well as to Europe, North Africa and the Middle East. The Falcon 7X has an ultra-efficient long-range cruise speed of 0.82 Mach, with fuel consumption up to 30 percent lower than other jets in its class. The aircraft can also cover short distances quickly with a max cruise speed of 0.90 Mach, and outstanding agility.

The spacious cabin of the Falcon 7X is whisper quiet and filled with natural light from 28 large windows. Everything is carefully designed to maximize your comfort, productivity and privacy.
