DC
Aviation – UAE

ABOUT

DC Aviation

DC Aviation originated in 2007 from DaimlerChrysler Aviation, a subsidiary of DaimlerChrysler AG, established in 1998. Due to these historical roots, they were able to accumulate extensive aircraft management experience.

DC Aviation ensures that every operation runs smoothly and efficiently from the moment you land until departure with only excellence in mind. DC Aviation ensures that every service provided will be flawless, from securing the aircraft slots, to the swift disembarkation and onward transport for your passengers & crew, to comprehensive ground services.

Services Provided

In partnership with DC Aviation, Click Aviation Network will be offering premium price cuts along with several services:

- A discount of 27% on basic ground handling.
- A discount of 20% on ground support equipment.
- A discount of 10% on the published hangar rates.
- 24 hours free of charge parking.
- Professional-free of charge supervision.
- For transients that are less than 9 hours, three crew members will enjoy a free of charge stay at a hotel nominated by DC Aviation.
- Maintenance will be provided for the following aircraft:
 1. Bombardier Challenger 600/650/605/604/601/ & Global Express XRS/6000.
 2. Gulfstream G450/G550.
 3. Dassault Falcon 7X, ACJ.

In addition to the above, Click Aviation Network is willing to provide the following services to offer our clients further support and convenience.

- Free of charge UAE landing permit (excluding charges from the Civil Aviation Authority).
- Free of charge EAPIS up to 10 PAX (done by our Operations Control Centre).
