His responsibility is to expand the scope of activities of the airline company on Russian and CIS market.

Brain Ring

Great news! Jet24 and WRF unite in the run-up of the RUBAE and invite you to visit the traditional Aviapages Workshop on 7 of September at 14:00 (Moscow time). The Workshop used to be a special event for the business aviation industry and guided by gastronomical accompaniment from WRF Catering. The second part of the event, sponsored by Jet24, WRF Avia and Fort Aero, starts at 18:00 and will inspire guests with authors' drinks and exceptional meals from the chief of Restaurant alliance. Intellectual Game "What? Where? When?" from club residents finalizes the event. Now is the best time for registration to the Game and don't forget to buy an entrance ticket for the Networking visit.
