GERMAN PRIVATE JET SCHOOL™

## Registration: D-IRKE / Cessna CitationJet (CJ1)

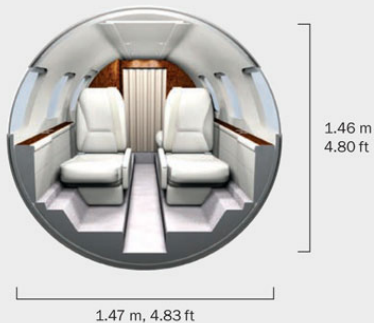

### AIRCRAFT SPECIFICATIONS

In a CitationJet you'll be a mover, not a shaker. That's because the CitationJet flies at cruise speeds of up to 370 knots (700 km/h) – 200 km/h faster, three kilometers higher, and unquestionably smoother than comparable turboprops. You'll avoid weather and traffic, while traveling in silky-smooth quiet.

The CitationJet's interior is a marvel of intelligent styling, craftsmanship and highly efficient use of space. From the cabin overhead design to details such as cabinetry, window shades and

seats, the CitationJet interior will rival that of aircraft costing many times more. And since it's a Citation, you know the fit and finish are superb, and interior configurations are designed to suit your needs.

**Crew** 2  
**Passengers** 5+1

**Performance**  
max. Range 2100 km  
max. Speed 700 km/h  
max. Altitude 12500 m

**Dimensions**  
Normal Seating 5
