Based in Honolulu, Hawaii this ultra-long range Global 5000 offers the charter client access to anywhere in the world. With the widest cabin in its class, the Global 5000 provides ample room to move around the spacious cabin more freely and enjoy the advanced soundproofing with the lowest-in-class sound levels. This aircraft was refurbished in 2016 and offers many passenger amenities such as a satellite phone system, worldwide Wi-Fi internet, power outlets at numerous locations, touch screen cabin management system, and a large fully-equipped galley with substantial storage space. The ultimate in ultra-long range comfort and capabilities makes this Global 5000 an excellent choice for your next charter.
