

GLOBAL 5000

A leader in the ultra-long range class, the Bombardier Global 5000 business jet is the choice for long range business travel. Offering unparalleled comfort and privacy, travellers can rest on a convertible bed in one section of the aircraft, while others can conduct a meeting in another. Travelling on the Global 5000 makes international travel effortless and efficient with nonstop capabilities to most global destinations. An onboard attendant is standard on all Global 5000 flights to ensure your comfort and safety.
