Charter Fleet

GULFSTREAM G650 17 SEATS

This beautiful Gulfstream 650 is a very long range aircraft capable of trips of more than 6,000 nautical miles in great comfort thanks to its enlarged cabin and a 17 seats configuration.

Charter Fleet

FALCON 8X 14 SEATS (6 BEDS)

The Falcon 8X is the latest generation Dassault Aviation long range jet. It will carry 14 passengers in all comfort for a 14 hours trip making it the longest range aircraft of the manufacturer. This aircraft is new and has an impressive level of space and very low level noise, very well suited for very long range flights.

Charter Fleet

FALCON 7X 14 SEATS (6 BEDS)

The Falcon 7X is a ultra long range aircraft with a range of 12 hours in an extremely quiet cabin, accommodating up to 14 passengers in its configuration. This year of manufacture 2013 aircraft has a proven track record on long range flights with passengers always happy to use it all year long for their transcontinental business trips.

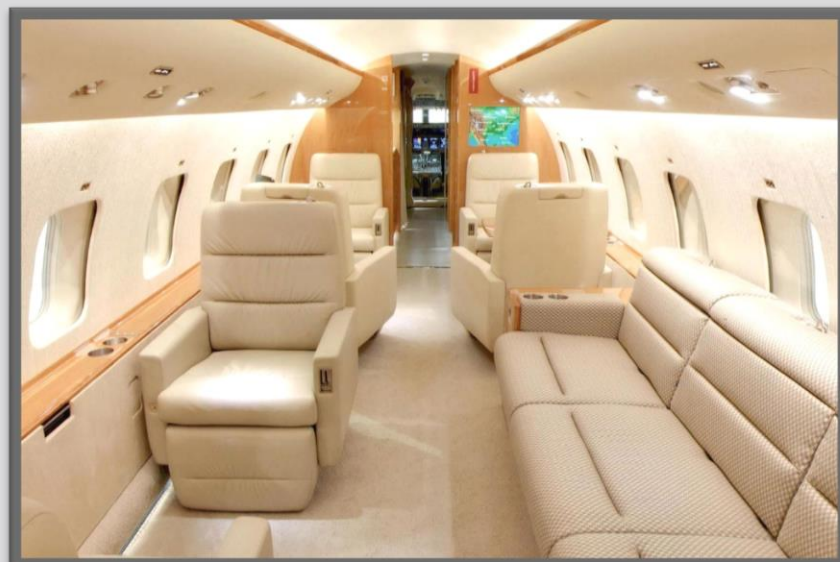

Charter Fleet

GLOBAL EXPRESS XRS 14 SEATS

The Global Express XRS is an excellent aircraft for long range trips in all comfort. This beautiful aircraft is in excellent condition and is a pleasure for short, medium and long haul flights.

Charter Fleet

GLOBAL 5000 14 SEATS (6 BEDS)

The Bombardier Global 5000 is a long range Wide Body aircraft with over 10 hours flight range. It does accommodate 12 passengers in its 15 meter long cabin. Its cruise speed is Mach 0.85. This Global 5000 is a long range aircraft with the largest cabin in its category.

Charter Fleet

GULFSTREAM G550 14 SEATS (5 BEDS)

The Gulfstream 550 is a long range Wide Body aircraft with a 12 hours flight range. This 2014 aircraft does accommodate 14 passengers. The Gulfstream 550 does fly at an altitude of up to 51'000 feet in an unprecedented level of comfort.

Charter Fleet

GULFSTREAM 500 12 SEATS

The Gulfstream 500 is the newest aircraft launched by Gulfstream and is a brand new 2019 aircraft. Up to 12 passengers can fly in all comfort for over 10 hours directly. A very attractive aircraft for your next flight.

Charter Fleet

GULFSTREAM G450 14 SEATS (5 BEDS)

The Gulfstream 450 is an excellent aircraft for long range trips with more than 9 hours range. It does accommodate up to 14 passengers in great comfort and flies up to 45'000 feet high.

Charter Fleet

FALCON 900EX Easy 12 SEATS (6 beds)

The Falcon 900EX Easy is a Wide Body aircraft ideal for short or high altitude runway take off and for a long haul flight for business or leisure. It accommodates up to 12 passengers in this configuration and has a range of more than 9 hours flight, operating New York to Paris or Barbados to London non stop.

Charter Fleet

FALCON 900B 14 SEATS

This beautiful aircraft is known to Exklusiv Aviation for many years and came out in January 2016 with a brand new interior and exterior paint. This is the perfect business tool for flights to countries where an aircraft with a good range and a very knowledgeable crew will allow the passengers to fly in all comfort to remote locations.

Charter Services

Helicopter Services

Exklusiv Aviation will organise your helicopter charter from Zurich to St Moritz, from St Tropez to Monaco or from London to the Cotswolds. We work with an international network of partners in many European countries offering the latest twin engine helicopters. We are very happy to assist you during the Monaco and the British Formula 1 Grand Prix.

Ambulance Flights

Exklusiv Aviation organises at any time for its private clients emergency flights worldwide in especially equipped ambulance aircraft with a team of doctors and nurses on board, coordinating the air and ground transport of the patient.

Limousine Services and travel needs

When travelling on an aircraft chartered with Exklusiv Aviation, Exklusiv Limousine Services will organise for you a chauffeur driven vehicle for your travel to or from your office, hotel or home according your schedule and changes of schedule.
