flights

25

countries

The knowledge and experience that enables the most cost-effective, transparent and innovative aircraft management and charter solutions available.

Practical experience, combined with a team of talented professionals, Amber Jet is a company built around the needs of its clients. Offering unparalleled levels of comfort, efficiency and above all safety is our top priority.

24 hours a day, 7 days a week, 365 days a year; our team dedicate themselves to provide the most cost-effective service, endeavoring to meet every last one of the client's requirements.

Safety, Efficiency, Privacy and Comfort. These are the steadfast principles that define us. You decide the direction and the timeframe, we deliver the aircraft and the itinerary suitable for you.

Working solely with trust worthy and reliable partners who meet the industry's highest safety standards, your flights are planned to safely get you where you want to be, when you want to be there.

Long-lasting and trust-worthy relationships – these are our principles!

Vitaliy Roslyakov
Founder of Amber Jet Group

AMBER JET CHARTER

Search, Planning, Sale and Completion of private flights
utilizing business aviation aircraft.

COMFORT

Our unchanging aim is to surpass your wildest expectations. We check all the details and provide personal comfort for each passenger, offering an extensive range of private jets, ground support services, VIP transport and on-board catering from the best restaurants in the world.

SAFETY

We work with reliable partners only – airline operators who meet the requirements of EASA, FAA and have a valid air operator certificate. All our flights are carried out by highly professional crews who undergo all necessary flight training at the leading training centers in Europe and the USA.

CONFIDENTIALITY

Amber Jet Charter is a private club. We offer a discreet and personal service that guarantees confidentiality and full protection of your data. We take full responsibility for the preservation and non-disclosure to third parties of information pertaining to your travel

CHOOSING THE OPTIMAL FINANCIAL SOLUTION

We offer you the most cost effective, transparent solution that will correspond to the scale of your desires and goals. Our mission is to find and offer the most advantageous options regarding specified flights and/or itineraries.

INDIVIDUAL APPROACH

We deeply understand client's requirements. To meet your highest expectations and provide exceptional service, your personal 24/7 manager will take care of all related flight details.

AMBER JET MANAGEMENT EXECUTIVE JET MANAGEMENT

Practical experience in flight operations and the rigorous selection of an experienced team that unites true aviation professionals — these are our guarantees for success.

Through streamlined flight-planning and maintenance solutions that form the bedrock of our aircraft management ethos, our goal is to provide you with the peace of mind that your aircraft is utilised in the most effective, safest and efficient manner. Transparent practices that provide you with the confidence and assurance that you require and deserve.

Our goal is to satisfy the boldest expectations of our clients and build long-term relationships.
