

AIR  PLANNING
AIR CHARTER WORLDWIDE

Private Jet Travel

Where You Want. When You Want. The Way You Want.

Since 1999, Air Planning has been arranging air charter services for some of the most notable entities in the world. Whether your travel need is for 300 passengers attending a corporate event or a small group requiring unparalleled luxury, our team of professionals will manage every aspect of your charter flight. As your trusted agent, we will recommend appropriate aircraft options, negotiate with air carriers on your behalf, and coordinate every logistical detail to ensure that your charter flight is an unforgettable experience.

Large Group Air Charter

Incentive Travel | Tour Operations | Corporate Travel | Sporting Events & Team Travel

Air Planning's large group air charter services are the standard by which all others are judged. With access to aircraft operators worldwide, we will provide options that meet your air charter needs at a competitive price. Our operational expertise ensures that the aircraft and related airport services requisitioned for your charter program meet our high quality and safety standards. Even airlines rely on our experience in procurement services to arrange: fuel, catering, aircraft handling, passenger check-in, diplomatic clearances, and flight approvals worldwide. This operational expertise translates into a better charter experience for all of our customers. Our vast market presence and buying power makes us well positioned to offer the best value to our clients.

Benefits:

- No associated charges for name changes or extra luggage
- Unwanted connections eliminated
- Private, flexible, and convenient
- Choose exact departure and arrival times
- Personalized in-flight enhancements (headrest covers, menus, activities)
- Transportation of entire group on one aircraft
- Utilize airports not served by commercial service

Business & Private Charter

Business Travel | Celebrities & Key Personnel | High Net Worth Personal Travel

Benefits:

- Internationally recognized third-party audit protocols
- Wide array of aircraft options and passenger amenities to keep you connected, entertained, and comfortable
- Access to airports with little or no commercial air service
- 24/7/365 client service

Time is the most precious commodity. A private jet for business or pleasure is the perfect solution for the discerning traveler. Eliminate unwanted connections, operate according to your personal schedule, and travel in security with only your party. Business aircraft can operate into and out of airports not served by commercial carriers. When your priorities are time, convenience, and luxury, our worldwide access to executive jet aircraft is the perfect solution. Customize your travel schedule and be where you need to be when it matters most. All of the business jet operators utilized on behalf of our clients must meet rigorous third party audit standards, including pilot training and experience.

Sports

Teams | Front Office | Fans | Scouting

Any sports team can benefit from the privacy, flexibility, and convenience of private charter flights. A comfortable and stress-free travel experience can equate to more wins. We'll focus on your air travel, so you can focus on your opponent.

Benefits:

- Travel on a schedule that works best for you and your team
- Return immediately following the game
- Transport your team and all needed equipment together
- Utilize exclusive airports closest to your opponent
- Provide nutritional meals, snacks, and beverages
- Make last-minute manifest changes to accommodate roster and coaching staff

Our staff will be on-call before, during, and after the game, to keep you up-to-date on all aspects of your flight.

Specialty Solutions

Air Ambulance | Emergency Response | Cargo Transport

Air Ambulance

Family members, veterans, athletes, or anyone in need of medical transportation can be accommodated on a private air charter, with accredited medical personnel and an aircraft equipped with all essential medical equipment. Contact us 24/7/365.

Emergency Response

Hope for the best, but plan for the worst. Have an emergency response program in place with us to rapidly respond to natural disasters, political unrest or the delivery of emergency supplies. Even if you do not have a program in place, we can provide aircraft, worldwide, at any time.

Cargo

Our experts guarantee successful transportation of your cargo, all the time, every time. With access to hundreds of freighter aircraft we are able to match your needs with the appropriate equipment, at a competitive price. Whether your shipment is perishable, valuable, time sensitive, or requires special handling, Air Planning is the only call you will need to make.

“The team was finally able to focus on basketball instead of where our charter plane was. Your team has been so beyond helpful with checking screeners, catering, crew, ferry links, etc., that I can’t even begin to tell you how much I appreciate it.”

~ College Basketball Team

“The Air Planning team was always available to work through any challenges with dates, luggage, passenger numbers, etc.”

~ Professional Baseball Team

“My Air Planning contact was always incredibly easy to get ahold of and super responsive. They answered about a million emails from me, as well as the client’s travel agent. They dealt with delays and weather beautifully.”

~ Royal Family Vacation Travel

“The next time I need a charter, I’m calling Air Planning. They never let me down and exceeded our expectations. My EVP of Operations was on the flight and he said everything went incredibly smooth.”

~ Corporate VIP Group
