

Falcon 7X OH-WIX

Our flagship Falcon 7X is technologically the most advanced business jet in the world today. It is designed to fly over 11 000 km, faster and with less fuel than other jets in its class. The cabin is quiet, light and spacious. The comfortable sofas in the aft cabin can be turned into double beds. On-board GSM as well as full Wi-Fi and internet connection. The year of manufacture of OH-WIX is 2014.
