PITTSBURGH JET CENTER

2010 CESSNA CITATION CJ3

SEATS 7 PASSENGERS LIGHT JET TAIL #N808SD

Our 2010 CJ3 aircraft is the ultimate combination of range, cabin size, runway performance and speed. Powered by efficient and reliable Williams Turbofan engines, the aircraft is able to quickly climb as high as flight level 450. This allows a smooth flight above most inclement weather and turbulance.
The 65 cubic feet of external baggage space is one of the largest capacities in the light jet class, giving passengers the opportunity to take extra luggage.
