WELLNESS FLIGHT for every Business Traveler

Every business trip becomes a pleasure cruise in the Challenger 604 „Independence Nine“. The cabin space is fitted with the most cutting edge design and finest materials. There is room for up to 12 passengers in the generously designed cabin. All of the seats can be adjusted individually, which means that you can also enjoy the most comfortable way to fly on board this aircraft. Up to five sleeping places are available. You can find the latest communication system and a kitchen on board, where even the most sophisticated meals can be prepared.
