

SIKORSKY S76C++

The latest version of the Sikorsky 76 provides an even quieter, smoother experience for the discerning passenger.

With its six seat leather upholstered cabin, the 180mph Sikorsky S76 C++ offers the ultimate in VIP luxury.

The air-conditioned cabin and minimal vibration and noise levels combine to create a cool and relaxed atmosphere.

Capable of flying from London to Edinburgh in only 2 hours, it's a true luxury express of the skies.
