MARCADOR DE INCIDENCIA

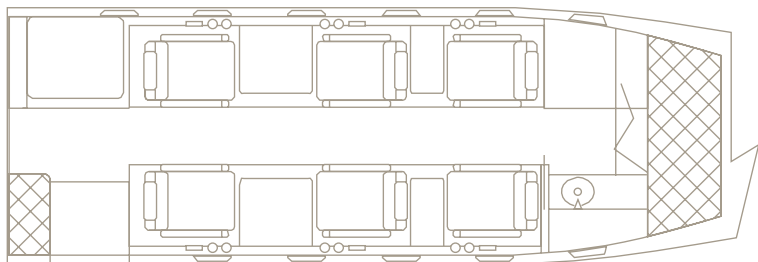

MES	II	EN RAMPA TOLU
DÍA	II II	LLEVAND

XA-JKM

Introduced in 1991, the Learjet 60 was derived from the Learjet 55 and was one of the first medium sized business jets on the market. The stand-up cabin is spacious and the seats plush making the typical 3 to 4 hour flight very comfortable.

# BOMBARDIER *learjet 60* XA-JKM

**LEARJET 60
