03

Why Taurus Jet?

Own operations control service: strict monitoring of all stages of flight arrangement and management

Exclusive rights to charter privately-owned aircraft absent from joint trading platforms

Favourable prices for many flight routes due to special agreements with aviation companies

A network of representatives in key regions of Europe

Flexibility of payment methods

Taurus Jet is a regular provider of services for leading concierge service companies and European family offices

Management of non-standard financing options for the purchase of an aircraft

04

Private charter service

The main types of charters you can request at any time:

Private flights for personal purposes

Corporate business flights

Medical and special transportation

Flights for sports teams and music bands

Air taxi and helicopter transfers

05

Aircraft management

Taurus Jet provides the following aircraft management services:

Audit and evaluation of the current budget

Running cost optimisation

Audit and evaluation of the effectiveness of existing operators and suppliers

Full aircraft management:
from crew selection to on-board satellite communication provision

Commercial utilization of aircraft — subcharter sales and management

Consulting on all key aircraft ownership
and management matters

Hawker 850XP

2 planes

Nextant 400XTi

Premier IA

06

Aircraft sales and acquisitions

Taurus Jet provides the following
aircraft purchase and sales services:

Analysis of the market and current aircraft purchase/sales offers

Search of offers outside open market platforms

Negotiating and supervising deals at all stages

Financing of aircraft purchase arrangement

New aircraft ordering and trade-in deal arrangement

Management and operations of the purchased aircraft

Consulting on all key matters of aircraft purchase or sale

07

Lifestyle services

Taurus Jet and its partners around the world provide the following additional concierge services:

Motor yacht and boat rent and charters

Ground and helicopter transfers

Reservations of hotels, apartments, villas and chalets

Tickets to sporting, cultural and private events

Reservation of restaurants and access to private membership clubs

Chauffeur services, security and domestic staff, nannies and governesses

08

Taurus Jet and partners

Taurus Jet was established as alliance of European companies and professionals involved in business aviation for more than 10 years

We employ the expertise and specialists of our aircraft management partner group, including the arrangement of cost audits, searches, purchases and sales of aircraft.

Our lifestyle suppliers include leading yachting companies, hotel chains, ticket and event companies, luxury transfer services and agents worldwide.
