

SIKORSKY S92, G-LAWX

STARSPEED

# SIKORSKY S92, G-LAWX

The only such aircraft available for charter anywhere in Europe

---

- **16 passenger seats plus one flight attendant if requested**
- **Based in London, available to operate EU wide**
- **More economical than using two smaller helicopters**

The spacious, stand-up cabin of the S-92 helicopter provides the ultimate in comfort and safety.

Seating up to 16 passengers in quiet, smooth and spacious airliner comfort, with power and endurance that enable fully loaded flights up to 430 nautical miles. Operated by Starspeed, this is the only such aircraft available for charter anywhere in Europe.

Starspeed - leading discrete helicopter management and chartered operations since 1978.
