2015 EC120B – MSN 1690 – HB-ZRO

Eurocopter EC120B

The Eurocopter EC120B, also known as the Airbus H120 since Eurocopter's rebranding to Airbus Helicopters, is a versatile light aircraft that has conquered the aviation world since its introduction. With its sleek and modern design, the EC120B stands out for its versatility and exceptional performance.

Featuring a spacious and comfortable cabin that can accommodate up to four passengers, the EC120B offers a pleasant flying experience. The EC120B is also renowned for its ease of maintenance and reliability, making it a preferred choice for many airlines, police services, tour operators, and private pilots worldwide.

In summary, the Eurocopter EC120B embodies innovation, versatility, and quality in the world of light aviation.
