

C-FMIX

Challenger 350

The Challenger 350 has established itself as the top-selling business jet with a spacious cabin that comfortably seats 9 passengers. It can seamlessly cover a distance of 3,300 miles, making it perfect for short, medium, and long-distance flights. The aircraft not only boasts low operational costs but also features an opulent interior with fine finishes, a flat floor, and continuous baggage access, ensuring a premium flying experience. Its optimal design promises passengers a remarkably smooth journey from takeoff to landing.
