

# Citation Longitude

SUPER-MID JET - N725VM

Access to airports throughout North, Central,  
South America, Europe and the Caribbean

## Redefining the super-mid class and elevating your expectations.

The Citation Longitude sets a new standard in Super-Mid flying. A spacious and quiet, stand-up cabin with lay-flat seating will keep you comfortable; a wireless cabin management system with WiFi keeps you connected and in control along the way; and a class-leading performance profile will forever elevate your expectations of "Super-Mid" aircraft.
